

Flywheel Newsletter

November 2019

Missouri Loves Company (MLC)

Flywheel had our first tournament of the year as an official team! We made our way to Missouri to play a total of eight games, four on Saturday and four on Sunday. The weather was sunny and pretty warm. We had lots of fun playing on the field and cheering on the sideline. With so much playing time, we were able to bond and improve our frisbee skills immensely. We are proud of where our team's ability is at right now and we're excited to see where we can go after a couple months of playing with one another.

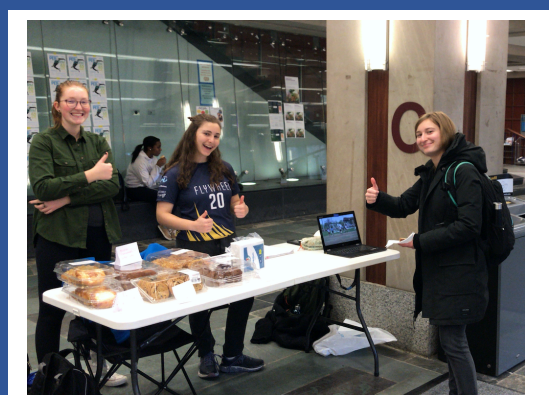

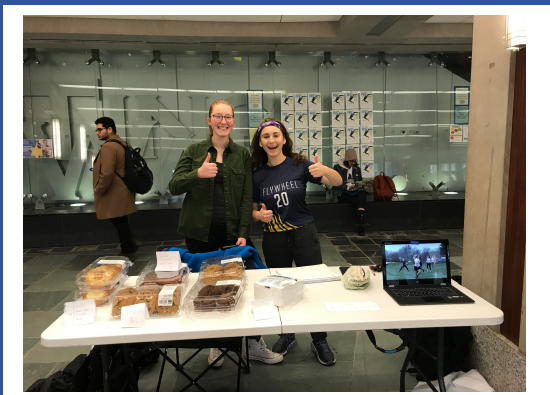

Thanksgiving Festivities

We had a Flysgiving Potluck in which people enjoyed lots of yummy food and fun company.

Fundraising

Hanna and Kelsie helped to organize a pastry bake sale to help raise money for Women's Ultimate

ALUMNI WEEKEND 2019

We had so many Alumni come back and visit us this year which was really exciting and fun! The main events of the weekend were the potluck, the tailgate along with a pancake breakfast fundraiser, the football game, the Alumni party/Frisbee Celebration, and the Alumni vs Current Player Scrimmage. It was so fun to reconnect with previous frisbee players and witness the positive impact that this strong group of women have on each person's life, whether a current or past player. We are happy to have so many great alum that have helped shape our team into what it is today! Thanks for a great weekend, we hope to see you again next year!

Potluck

The potluck was a lot of fun! We were able to catch up with one another and watch some quality Youtube videos

Tailgate/Pancake Breakfast

Lots of pancakes, bacon, and orange juice! Plus, some dancing and a lot of smiles before the football game.

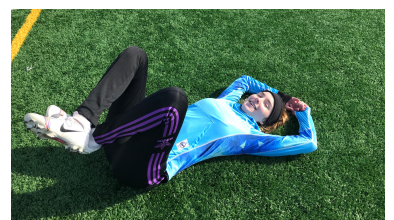

Frisbee Celebration

The Hathaway's let us use their space to host our Alumni Celebration. We played trivia, ate food, and danced the night away at this super fun event!

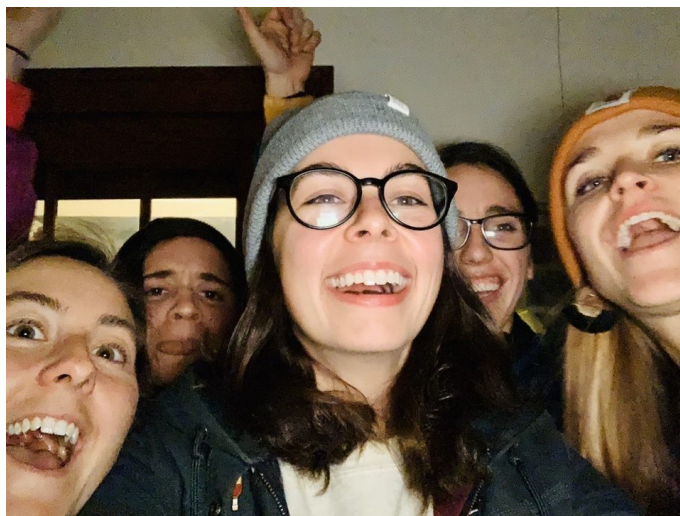

Alumni vs Current Player Scrimmage

The weather was great and we were able to have our annual scrimmage. While we alum and current players were playing for different teams, the scrimmage reminded us that we're all one team #Flylove
